CANNABISCOPE™
INTERACTIVE WHEEL

"This is a great tool to help patients, caregivers, physicians, and cannabis aficionados obtain valuable information on cannabis."

— Dr. Pouya Mohajer, M.D.

Anesthesiology and Interventional Pain Medicine

"Having an iPad with Cannabiscope displayed will give your patients an interactive experience that they can't get anywhere else, and you'll have an extra layer of security knowing that they are getting the appropriate strain for their needs."

— Roni Stetter

Cannabis Blogger

"This kind of technology changes the interface and buying decisions, and self diagnosis as well."

— James Jordan

Principal at Central Canna, Founder of SCCBIG

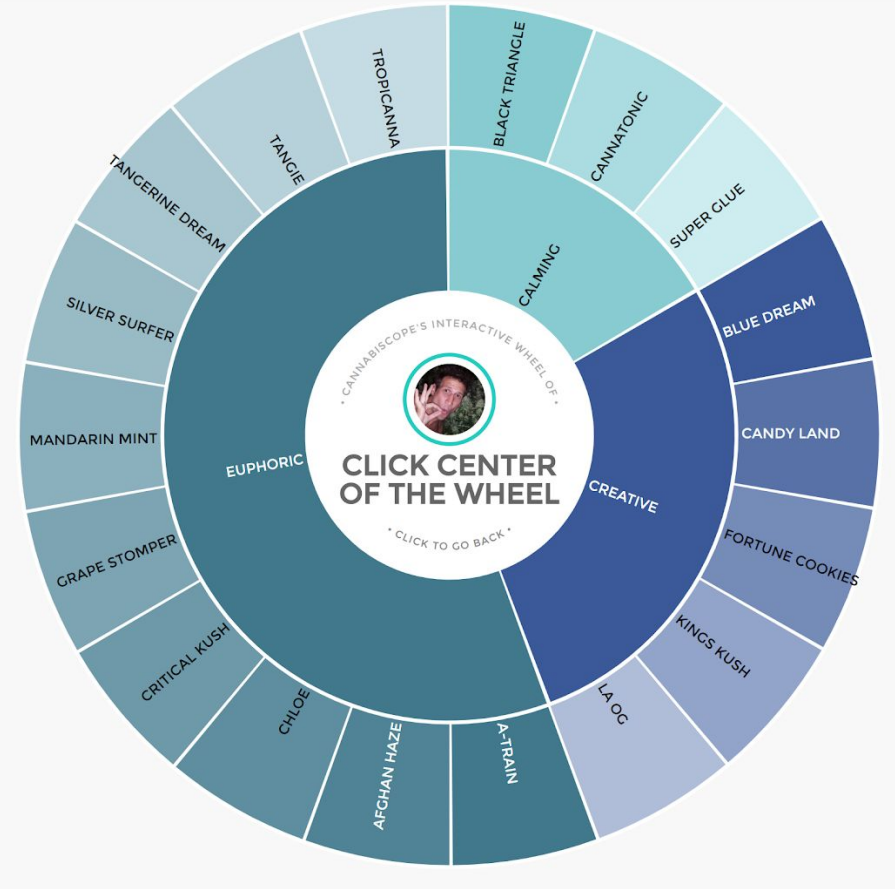
Personal Profiles



$645 is the yearly average, while the largest group nearly a quarter of all consumers spends between $1,000 and $2,500

If 1,500 customers spend 10 minutes a day waiting in the lobby, that is 250 hours that could be spent shopping at the self checkout kiosk
